*Awaken Your Outdoor Spaces with Lumenscape Lighting*

# Lumenscape

Lumenscape offers professional grade LED landscape lighting at affordable prices.

With over 100 years of experience in the lighting industry, our team of experts seeks to transform lighting into a source of superior quality, design, safety, energy savings, and wellbeing.

Our customers are our number one priority. We are committed to serving your needs efficiently and seamlessly to ensure your full satisfaction. This is our promise to you!

Send a photo of your space to [techsupport@lumenscapeltg.com](mailto:techsupport@lumenscapeltg.com) and receive a free personalized landscape lighting layout.

# Why Use Lumenscape?

Professional grade cast aluminum construction with powder coat finish for exceptional durability

Integrated LED fixtures with high quality optics provide superior clarity and illumination without halos or scallops

Accent lights available in various lumen outputs and beam angles for outstanding landscape lighting design

Advanced 1,000 volt surge protection in all of our products to prevent damage to fixtures from voltage surges and nearby lighting strikes

All fixtures IP66 rated with fully sealed housings to prevent water ingress in even the most demanding applications

Electric circuitry sealed within fully isolated module specifically designed to protect electrical components from water ingress when used in up light and down light installations

Accent lights and path lights feature tool-less installation and adjustment, with heavy duty mounting stake and silicone filled wire nuts included.

Light engines feature thermal management designs to dissipate heat and lengthen the lifespan of the LEDs

Top quality at highly competitive prices

# Accent Lights

- Available in 250 lumen and 450 lumen outputs with multiple beam angles
- 3000K standard adjustable to 2700K with accessory lens
- Multiple mounting accessories and lens filters to achieve any desired effect

PRODUCT KEY	ACCENT LIGHTS
AC25LSP15ABZ	Low Volt Accent/Spot Light 250 Lumens, 15 Degree Spot, Aged Bronze Finish, 3 Watts, 4.1VA
AC25LMD35ABZ	Low Volt Accent/Spot Light 250 Lumens, 35 Degree Medium, Aged Bronze Finish, 3 Watts, 4.1VA
AC25LFL60ABZ	Low Volt Accent/Spot Light 250 Lumens, 60 Degree Flood, Aged Bronze Finish, 3 Watts, 4.1VA
AC45LSP15ABZ	Low Volt Accent/Spot Light 450 Lumens, 15 Degree Spot, Aged Bronze Finish, 5 Watts, 6.1VA
AC45LMD35ABZ	Low Volt Accent/Spot Light 450 Lumens, 35 Degree Medium, Aged Bronze Finish, 5 Watts, 6.1VA
AC45LFL60ABZ	Low Volt Accent/Spot Light 450 Lumens, 60 Degree Flood, Aged Bronze Finish, 5 Watts, 6.1VA
